

EMAIL SENT TO ALL CONTACTS 21 JAN 2014

It's that time again!

Attached for 2014 season are 3 files in both Excel & PDF format:

1. Teams / divisions / home start times.
2. Preferences
3. Contacts.

Please advise any changes / corrections.

1. Mixed & Mens divisions: If you want to enter extra teams or withdraw teams (from attached list) you need to advise by **31 Jan at latest**. Depending on number of mens teams the 2nd & 3rd divisions may be combined.

2. Ladies division: Not viable with 2 teams. Please consider entering a team (it ran with 3 teams last year). Need to advise me by **28 Feb**.

3. Over 55 or 60: It has been suggested that there may be interest in a veterans division to be run on similar lines to mens/ladies divisions but played on afternoons in the week. If you are interested then let me know. Also suggestions as to format (eg men only / ladies only / mixed / either / minimum age).

4. Home start times in mens/ladies divisions: You need to advise any changes by **31 Jan at latest**

5. Preferences: You need to advise any changes by **31 Jan at latest**. I will try to accomodate in order received.

6. Contacts: Please advise as soon as you know any changes to existing list. Please also check that your club contacts are receiving the emails (ie I am using latest email address).

7. Club website links: Please check Contacts & Links page on website to ensure correct link to your club website.

Thanks
