

WIRRAL TENNIS LEAGUE – WINTER 2016-2017

Problems

Nbr	Please improve quality of Result Cards	Reason
1	Result Card NOT received (or LATE)	Result will be 0-0 assumes match not played. And not rearranged because of weather
2	MATCH NUMBER / DIVISION / DATE PLAYED and TEAM NAMES and LETTERS MUST be entered correctly	Takes time to find out which match, information not on website and it is at least COURTEOUS
3	Players names should only be entered once	Not needed where "PLAYER" is preprinted on card
4	Forenames required	Identification
5	Result card scans to be landscape (not portrait) A5 (not A4) In colour Less than 250k	Consistency and much easier to view from website. Main and Ladies are different colours To keep download time when viewing from website
6	Names to be PRINTED	Should be easier to read
7	Division should be 1 or 2 etc (eg not LADIES DIVISION 1)	"LADIES" and "DIVISION" are preprinted on card
8	Match Tiebreak score to be entered as (eg 10/7) NOT 7/6	That's the score (also states on card)
